WRITING (письмо)

~~I opened the letter from my cousins in Moscow.~~
Hi, Sam! I'm really happy about this! I think you're very cool. I'm happy for you this chance, so I agree! We can go to the basketball match in August. I think its must be very interesting and exciting! I'd like to buy some exclusive merch from one of players.

By for now,
Sveta

Task 2.

I opened the letter from my cousins in Moscow. I really happy to hear them. Their letter was about theyir new competitions, where they've got some rewards. They also have written about their hobbies and pets. Nastya very likes cats, but doesn't like dogs, because she's allergic to them. ~~Boris~~ But Boris, doesn't really like cats, because they leave a lot of garbage. He prefer golden fish to cats and dogs. I don't mind about golden fish, but I prefer cats or rabbits to ~~get~~ them. Also, Nastya's written about her favourit hobby - drawings. She is really interested at arts. I like art too, but I prefer computer games to them. Boris hates arts. He wants to be a sportsman. His favourit type of sport is basketball. He takes up some sport classes. I believe he will be a famous sportsman.
